****Please note, the goal of the Chamber Cheque program is to ensure commerce stays local. Cash is not always given back for unused balances. Chamber Cheque recipients are encouraged to visit with members about their Chamber Cheque policies before making purchases.**

CHAMBER CHEQUES

The purpose of Chamber Cheques is to keep money local to stimulate the Hays economy while simultaneously supporting Chamber members.

This is not a fundraiser for The Chamber and in turn, we offset the printing and processing fees associated with this program.

- Anyone can purchase Chamber Cheques! We encourage Chamber businesses, members, and non-chamber members to keep our dollars local. They can be used by over 400 area businesses!
- Cheques can be purchased at The Chamber in Hays, located at 2700 Vine Street, Hays, KS 67601 or by calling (785) 628-8201.
- Chamber Cheques are used like personal checks or cash at chamber businesses.

Cheques have no expiration date and will be honored until redeemed.

Support our community & area merchants and keep it local.
